

CHRISTIANITY IN AMERICA:
The Gospel with Guns

**Shoot 'em and save 'em
Preach da gospel wid luv
bud make shure ya got enuf
ammunition ta giv
all infidels
ah powerfool shove**

**Send out messages ah peace
bud keep a gud stockpile
ah bombs
'n killin' machines**

**Be generous wid friends
'n ruthless wid foes
Make sure folks know
Uncle Sam decides
What Goes**

**If anyone grumbles
gib dem a hush:
Uncle Sam is Merciful –
but terrorates
so mushhh**

Kris: Huh?? Is this Christianity or terrorism?

Tim: Terrorism comes in the garb of every religion.

Kris: That's saddening. I thought that religion was all about peace.

Sam: Too often, it's simply a way of persecuting those who disagree. . .
