

# WHO WAS DYLAN?

*Some Thoughts about an American Icon*

**Sam:** Dylan? Wasn't he that folk hero turned millionaire?

**Tim:** Yep. Once America's heroes become wealthy, ordinary folks often delight in bashing 'em.

**Kris:** Funny. All I remember about Dylan was his early years.

**Tim:** Well, fame is inherently fickle . . .

**Terri:** Do you think Dylan practice what he preached?

**Ted:** (shrugging his shoulders) There's almost always a gap between the real and the ideal. Does anyone embody their aspirations fully?
