

GURU BARS:

An invitation to taste the transcendental

**Gurus are perfect contradictions
with tantalizing incongruities.**

**If reality seems too bland
or life lacks sufficient flavor
why not try a Guru Bar™ or
or chakra-experience that can be savored?**

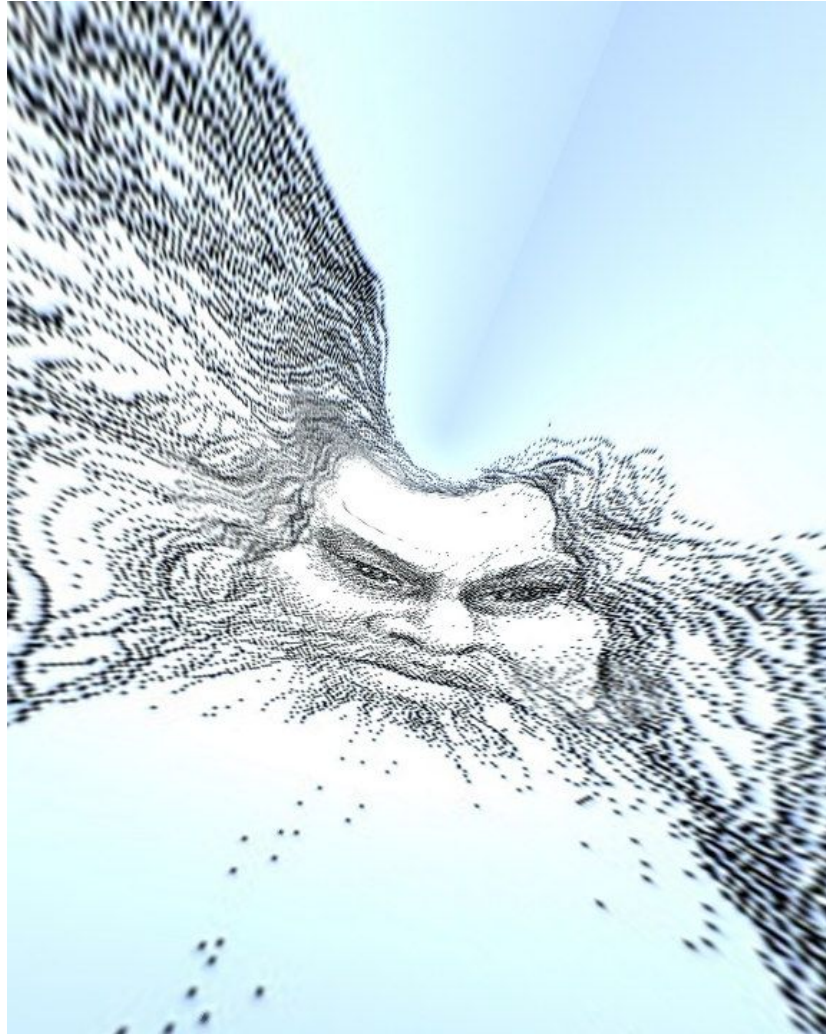

**Guru Bars™ come in many sizes
and are sold in countless ways.**

**Experience transcendental bliss:
find a guru who is fresh 'n crisp
bringing a *shakti*-flavor
to aspirants yearning to savor
a sweetness
out ah dis world!**

Chariya: (with chagrin) Gurus are not market commodities!

Daiki: (nonchalantly) Well, seems like everything in dis world iz fer sale.

Chariya: That may be, but a true guru is not in this world. Their body is here, but consciousness elsewhere. Don't you realize that?

Daiki: (chuckling) No.

Chariya: (sighing) Ah, then enjoy your candy bars. . .
