

WHERE SHIVA SLEEPS:

A Restive Commentary

Chariya : (gazing at the image) Shiva never sleeps – this image is fundamentally incorrect.

Bhāraté : Yeah, it is said that the truly awakened never sleep – at least in the ordinary sense of the word.

An-Yi : Don't worry. Shiva has never existed, except as a myth.

Chariya : (Shaking his head) No! No! Shiva always exists! All else is a myth!
