

RESTING IN GREEN:

An amatory pastoral

Noel: (salaciously) Oh yeah! Uh-huh! I wouldn't mind resting here!

Gwen: Ah, there is so little rest in life!

Tara: (laughing) Actually, dare are infinite opportunities for rest – we're simply nut seein' dem.

Orapan: (agreeing with Tara) Yeah. The majority of men have primitive brains. There is so much that they are not seeing!
