

EDUCATIONAL INSPECTOR: A Dystopian Review

So ya think yer kompetent ta teach?

Well, let me inspect yer kredentials & then see.

Zis record shows ya don't support school policies –
yer should show conformity.

This document suggests yer outspoken about many affairs –
good teachers are silent & defer to Our Beloved Cha

This video reveals ya laugh lots in class.

Teachers must be dignified – not crass.

This report suggests you relish irony & guile
you should be more diffident & maintain a smile!

For our government you have expressed disdain –
good teachers are cheerful & never act that way.

Are you qualified ta teach
our precious youth?

Our data suggests
another job iz better fer you.

A custodial position starts next week –
unless you wish to become a vagrant
consider that seriously.

Melissa: (shaking her head) This type of thing could never exist in a democracy.

Tim: Who said we live in a democracy? Beneath the veneer of politeness,
it is surprising how savage we still are.

Liao: (nodding) And like it or not, teaching is inherently political.
