A LOVE PROPOSAL:

in praise of the unexpected

Aren't we born to love?

If so, breathe softly & laugh.

Close your eyes & smile a bit.

Forget self-importance

to become restored.

Hang out for a while in uncertainty:

What's the rush or concern?

"Never done that before?"

My response:

"Great! Try something new!"

"Your mother doesn't approve?"

Smiling, I ask:

"Do you?"

Those with humor & insight

align their energies with the Light.

Moving closer towards what's bright

they help alchemies take place,

confident that
before the Big Rip comes,
everything will be okay . . .

Cantara: I can't imagine real people thinking this way!

Chris: Well, everyone is "real" in some ways and fake in others.
Relax and enjoy the contradictions!

Cantara: Enjoy? Huh? You can't really be serious!

Chris: Ah, I wish people would stop using the word "real."
All too often it is synonymous with "not what I expected."
