

A PANEGRIC TO PASSION

I love the sambas of your eyelashes
& tangos of your hips

I love the polkas of your
our thighs and the flamingos of your
our kiss es!

I love the gavottes of your nipples
& our graceful pirouettes

I love the dances you inspire
flouncing
fluttering
flittering
with splendor

did you
me tries
that are
so far from
regret

Miok: Wasn't it Ambrose Bierce who described love as a temporary state of insanity?

Chris: (chuckling) He was certainly right in that regard!
