

**Naked couple.  
Searching fingers.  
Loving bodies.  
Clasping touch.  
Rapid heartbeats.  
Heavy breathing.  
Sudden screams.  
And briefly  
Enough  
Yet somehow  
Never enough. . .**

**Chris:** Galaxies spinning and human bodies spinning toward each other – are they not both the same?

**Cantara:** (masking surprise) I think you've read too much philosophy..... there's nothing wrong with spinning or desiring as long as you realize it all passes soon. Why get caught up in a mirage?

**Miok:** Huh? Are you saying it's all maya?

**Chris:** (clearing throat) Isn't this conversation spinning towards things best left unspoken? Let's turn the page.....
