

## SEX AFTER 7 YEARS OF MARRIAGE

Whun I want **it**  
she's too **buzy**  
err simply not in the mood.  
"Not now!" she **protests**  
polishing darkly pointed kitchen tools.

When she **wants** it  
I'm too tired  
or thinking of uther **things** ta do.

"Sometime later darling" I **mutter** half-snoring  
while she'z glumly mute. . .

Love may **gruw** **richer** wuth age  
**butt sex** -  
ahhh how **eazily** it tarns  
flaccid, dull, an grey.

**Chris:** This is not a very optimistic view of marriage.

**Tim:** Of course not! Marriage is merely a business proposition that has little to do with either sex or with love.
