

KANINE KREDO

An Animal Liberation Appeal

D'ya feel like a dawg howlin' at nite?
Argh ya sick of yelpin' 'n kages
'n barkin' at passers by?
Kanine kreatures -
Now's da time ta unite!

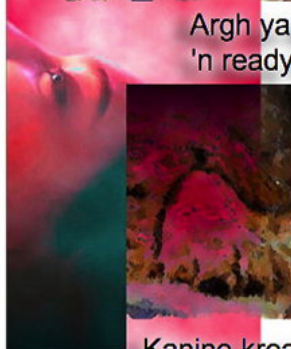

D'ya wan'na actualize yer potential
'n transcend huuman
ideas aboot wrong 'n wright"?

D'ya wanna run freely
'n chomp whom ya please?
D'ya growl if basturds say
"No dawgs permitted"
or "Pets must be on leash"?

Argh ya weary awh chains
'n ready ta use yer claws?

Kanine kreatures, cower no longer -
Devour all human beasts!
Dawgs of da werld unite!
Grrrrgh

Nadia: Does this poem remind you of Orwell's Animal Farm?

Wan-Size: No. When it comes to intellectual things, I am but a puppy.
