

A PHILOSOPHY OF WRITING:

Some Thoughts about Writing & Meaning

- Jack:** (gazing at the image) What's this supposed to mean?
- Shu:** Can't some things exist perfectly without meaning?
- Jack:** Probably not. At least, I don't think they are supposed to. . .
- Juanita:** (Pausing) I think this is a philosophy of writing. If you look closely, a whole theory about writing is here.
- Shu:** We can create a philosophy out of anything, but so what?
- Ella:** (snickering) Hmm. All I see is a nice design for a T-shirt!
