

BE WILDER!

Reflections on Social Conventions & Nonconformity in Honor of Debra Bernier

*Of course I'm wild ~
is there a better way to be?*

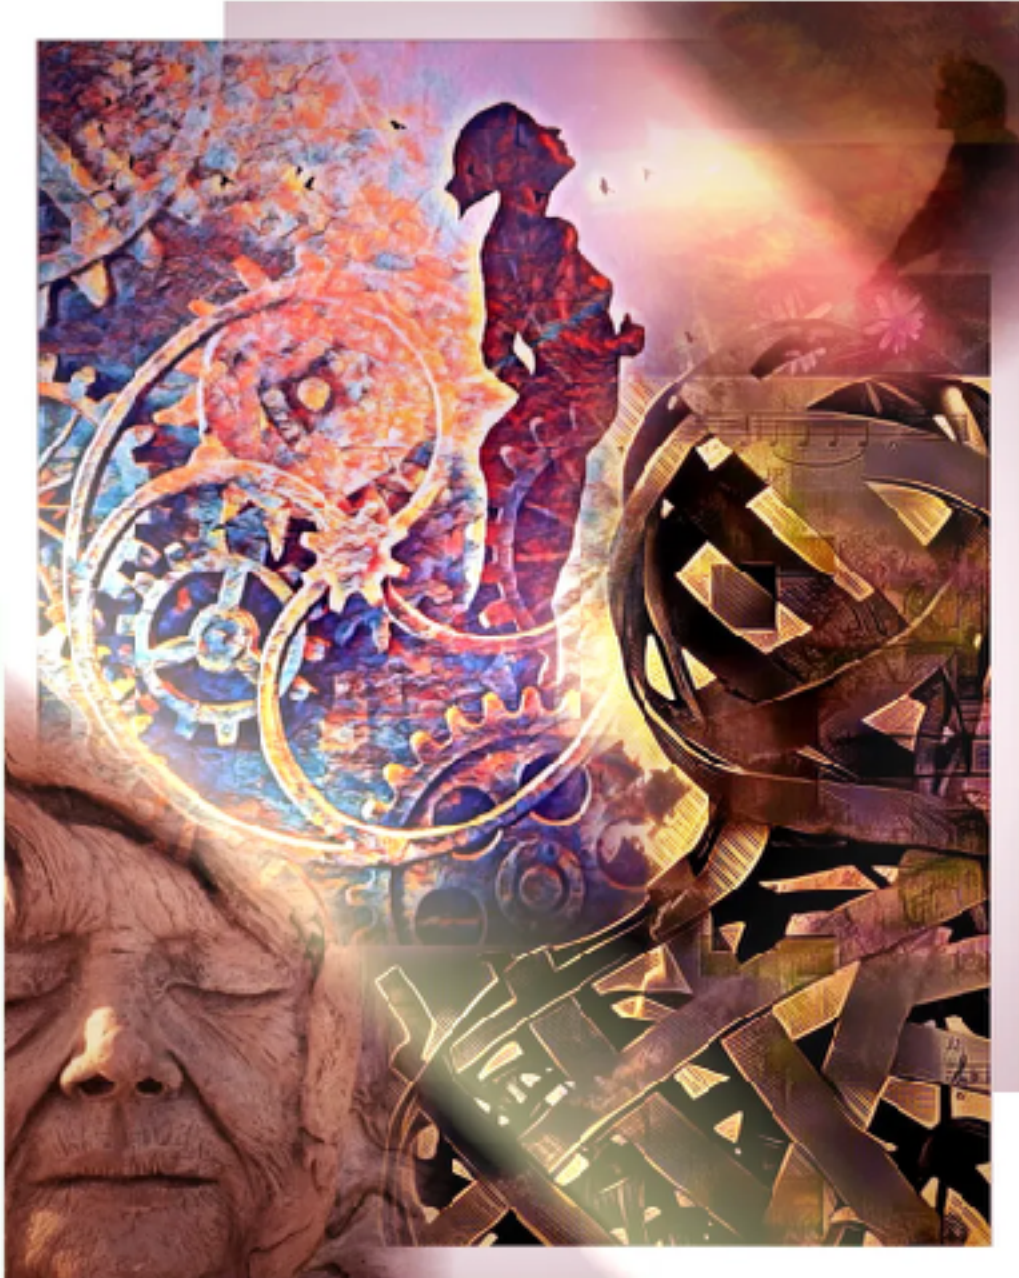

*All persons with passionate temperaments
have wildness in their beans.*

*Some people argh bland potatoes ~
sprouting out dull buds from their sides
lulled by supermarket konsumerism
they vegetate then die.*

*The world needs wilderness & wildness ~
not more Medium Russet Potato-People
lulled into kommercial stupor.*

*That's why art should be a f
orm of anarchy and poe
try a virus to kounteract
Shopping Mall Worlds ab
mass-driven macro-market-mutants
mumnering the mind-numbing mantra
"Buy! Buy! Buy!"*

*Only wildness can wallop
controlled numbness*

Brice : (pausing in thought) So this Newfields fellow has a yippy spirit!

Anya : Well, a yappy one, for sure!

Brice : Of course – what else could such nonsense mean?

Anya : (confused) Ah, meaning! I'm not entirely sure anything actually "means" anything.
