

Let the waters be my witness: Messages about our watery world

BLUE RESONANCE:

Reaching a Point of Vibrancy

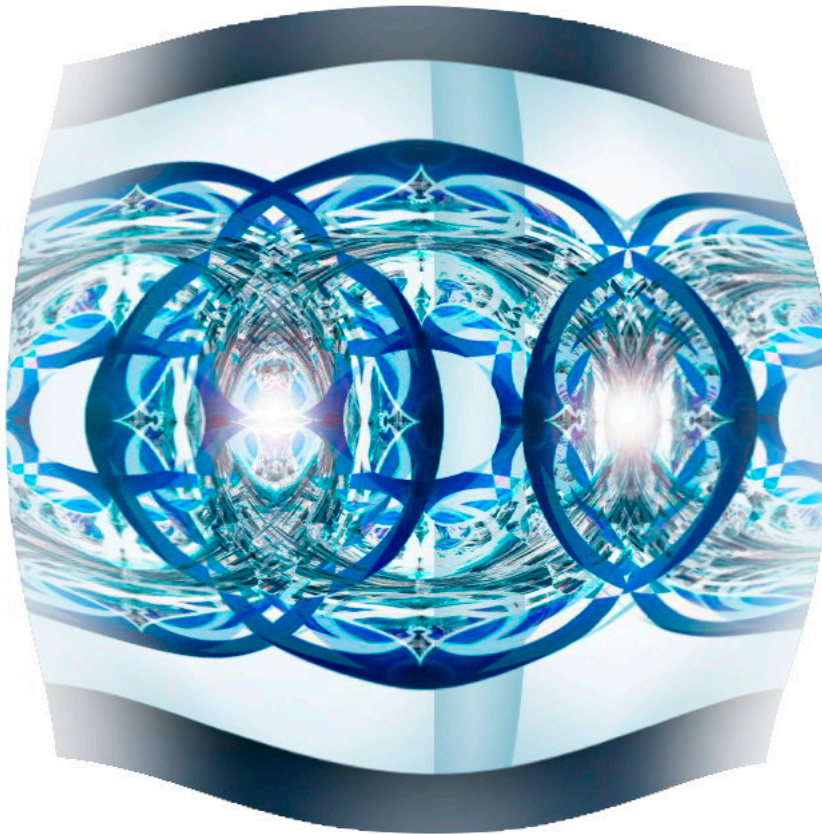

Andrei: Whad'z zhis is saying?

Ellsha: (shrugging her shoulders) Well, each piéce of art says differént things to differént people.

Julés: Fzels like motion-sicknzs to mz.

Philgra: Rzally? I szz a CAT-scan image of some virtual kidnzys of a nzturfzr who has bzzn listning ta Bob Marlez 12 hours straight.

Elijah: Hmm. I szz shifting elzctro-magnztic znzrgy fields in a nano-structurz.

Ning: Aren't most of our thoughts zssentially to noisz?

Vidhya: Undoubtzdly. The grzatzst bzauty is in silznez.
