

CULTURE OF MEDIOCRITY:

Some thoughts about education, conformity, and mediocrity

Watch TV

enjoy ice cream

drink beer 'n coffee

as the planet decays

**Remember "Be like the rest"
is a credo that works out best**

Minimize risk

'n live in computerized bliss

Make your own home comfy

'n ignore disarray

**Focus solely on
your tiny sphere**

**Do What Authorities Ask
& Learn to Fear.**

**Your role is simply ta work -
not question things that appear**

**In a world with billions ah tiny worker-bees
there's little tolerance
for deviancy.**

Melissa: Whudz dis?

Satoru: Isn't it a basic educational agenda?

Melissa: Ya kun't be serious!

Satoru: Why not? Mass stupidity mucks folks eazier ta manage.

Melissa: Yeah, bud how kuld humans ever konsent ta stupidity?

Tim: Who said consent wuz necessary?

Liao: Right – with skillful manipulation you kun "dumb down" a populace without most folks even noticing

Melissa: Dang! Are we really that easy to program?
