

Heart Scenes: Emotional Landscapes via Art, Poetry, & Pr se

Miok: All men are dickheads in some way.

Chris: Yeah. We must overcome our programming and strive to be human – not an easy task.

Cantara: Why not?

Chris: Instincts are often powerful. Rare is the soul that transcends all instinct.

Cantara: Why is it necessary to transcend anything? Why not just be natural and relax?

Chris: You have to answer that yourself. If I give you an answer, it amounts to preaching – and that's not what I wanna do.

Tim: I dunno. There is nothing wrong with being erotic now & then – but to get stuck in any particular condition is tragic. . .
