

# *HEART OPENING:* *Some Thoughts about Inclusiveness and Meaning*

**Miok:** (looking at an image) Does this image say anything to you?

**Tim:** (suppressing surprise) Why should imagines need words? Our culture verbalizes too much. I'm happy to appreciate it in silence.

**Miok:** Yeah, but I'm curious about what it means.

**Tim:** Who says meaning is necessary? More often than not, so-called "meaning" is like the dead skin of a snake: by the time you identify it, the living essence of what it was has moved far away.
