

# **GOLDEN EGG:** **Some Pre-Birth Speculations**

**Lis :** (examining an image) A single fertilized egg, eh? Why this focus on pre-birth?

**Linda :** Perhaps the author believed things go full circle: if we understand how things begin clearly, won't we also understand their end?

**Lex :** (shrugging his shoulders) Intellectual understanding is never enough.  
We need something deeper. . .

**Ron :** We could probably spend lifetimes going deeper, but does it actually matter?

**Lis :** It does to me.
