

Reactions to Prof. Wuzzy's Class:

Student 2

WHAT'S SPECIAL ABOUT GOOD TEACHING?

SHOULDN'T THAT BE WHAT WE EXPECT?

TOO MANY STUDENTS ACCEPT MEDIOCRE EDUCATION

WHICH FOSTERS FRUSTRATION & REGRET.

TODAY PROF. WUZZY WAS PASSABLE.

WHY AREN'T MORE CLASSES LIKE TODAY'S?

TOO OFTEN EDUCATION IS EGREGIOUS

& TEACHERS SECOND-RATE.

Juanita: By the time most students reach university, most are crass about the whole notion of education.

Jack: Why is that? I don't believe many students start out that way.

Shuu: Perhaps crassness is a shield to protect us from the pain of failure?
