

BEYOND THE SHROUD:

Some Thoughts about Reality

Cindy: Beyond the familiar of shrouds of reality, what exists?

Bai-Luo: (shrugging) Well, most people are not so interested in that.

Cindy: Shrouds within shrouds . . . is there ever an end?

Bai-Luo: (holding his finger to his lips) Shhh, wordplay has no end.
However, human lives have an end. To go deeper,
don't we have to transcend language?
