

OUT OF LOVE:

Reflections on Love, Passion, and Prophecy

Aiko : I understand how people fall out of passion – but how can they fall out of love?

Don : Why speak of logic when it comes to love?

Aiko : I'm interested in how people use narratives to construct "love" . . .

Don : Isn't that a waste of time?

Aiko : (shrugging) . . . only if you believe so. Beliefs tend to become self-fulfilling prophecies.
