

THE PATH OF GREEN

Reflections on Verdure

Carlos : What would our planet be without green?

Devani : (nonchalantly) We would not be here to write about it.

Carlos : Many things precious are not even seen.

Devani : (yawning) And many things that cannot be seen are written about, so the result is yackety-yak-yak-yak . . .

Carlos : (surprised) What's wrong with you today? Did you wake up on the wrong side of the bed? Why be so negative?

Devani : (pausing) Sorry. Sometimes it seems like an old, dark, unthinking habit.
